

G. O. P. IN STATE OF MISSISSIPPI IS BADLY SPLIT

Vicksburg Convention To Be Held May 5. Will Send Un-instructed Delegation—First Convention Instructed.

JACKSON, Miss., April 7.—The Mississippi Republican convention held in Jackson on April 4, at which delegates were chosen to the Chicago national convention, and instructed to vote as a unit for Gen. Leonard Wood, was in many respects a badly split affair. The delegates, who were chosen from the various counties of the state, were divided into two main factions, one supporting Wood and the other supporting the incumbent, Gov. Hiram V. Johnson.

The committee on credentials will not even give the delegates heard by Perry W. Howard, the secretary of the convention, a hearing. Mr. Howard, who is a supporter of Wood, has been accused of being a "ring leader" in the movement to elect Wood. He has been accused of having secured the support of a large number of delegates by offering them money and other inducements.

BISHOP GAILOR TALKS TO ROTARIAN MEMBERS

Absolute necessity of labor and capital arbitration was outlined to Rotary club members by Bishop Thomas F. Gailor at the weekly luncheon at Hotel Chicago Tuesday. Bishop Gailor, who is a member of the Rotary club, spoke on the subject of labor and capital arbitration, and urged the members of the club to do their best to bring about a settlement of the labor problem.

HOW TO RAISE BABY CHICKS

Put Avicol in the drinking water. Most people lose half of every hatch, and seem to expect it. Chick cholera or white diarrhoea is the trouble. The U. S. Government states that over half the chicks hatched die from this cause. An Avicol tablet, placed in the drinking water, will positively stop the diarrhoea and save your chicks from all such diseases. Inside of 48 hours the sick ones will be as lively as crickets. Avicol keeps them healthy and makes them grow and develop.

There Was Nothing So Good for Congestion and Colds as Mustard. But the old-fashioned mustard-plaster burned and blistered while it acted. Get the relief and help that mustard plasters gave, without the blister and without the blister. Musterole does it. It is a clear, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tenderest skin.

Gently massage Musterole in with the finger-tips. See how quickly it brings relief—how speedily the pain disappears. Use Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, rheumatism, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).

NATURE STUDY NECESSARY IN DANCING, SAYS VARIETY STAR

THE FORD SISTERS.

Few dancers have achieved the success or the prestige upon the vaudeville stage that has been gained by the Ford sisters, at the Orpheum this week. "Dancing develops the imagination to a greater extent than almost any other art," says one of the sisters. "The painter or the sculptor can describe his work. Modern music has become almost as accurate in describing everything. A good dancer must be a close student of nature. In a descriptive number, such as our Greek dance, concentration of mind is necessary. Not only must all steps and details be remembered but the dancer must keep her mind on the story."

MEMPHIS-BRISTOL ROAD TO PASS HALLS

HALLS, Tenn., April 7. (Sp.)—The highway to be built soon between Paducah and Memphis is to come through the center of Halls. A meeting was called at Ripley on last Monday to decide the question of whether the highway would come by Halls, and after a great many arguments and discussion it was decided that the highway would pass through this town.

BOY, 17, DROWNS IN FLOOD AT BENTON

BENTON, Tenn., April 7.—It was learned one fatality resulted from the flood which has prevailed in this section since Friday and which cut off the city and surrounding section from the rest of the state for some time. The victim, Henry Boone, 17, who drowned about with his horse when he drove into back-water near Patty depot.

EXEMPT PUSHCARTS IN TRAFFIC RULES

A wheelbarrow or a pushcart are about the only vehicles that will get by the eagle-eyed police and traffic cops without license tags, tail lights and proper traffic signals hereafter. The axiom that ignorance of the law is no defense will be lived up to by members of the police department, now that new traffic regulations are in force. Copies of the new regulations may be obtained from police headquarters and there are so many new ones that drivers of motor vehicles especially will do well to heed them. The new rules apply to every class of vehicles except "those propelled by muscular power." Pages of seventeen separate traffic ordinances passed years ago are to be repealed so that there may be no possible conflict between the new regulations and the old.
